## Scholarships Based on Academics and Need

This application is for scholarships that are provided through the Mabel and Lawrence S. Cooke Scholarship Endowment, the United Health Foundation, and the National Eagle Scout Scholarship Fund. One application on this form allows an applicant to be considered for all the scholarships described below.

The scholarships are not available to students attending any of the U.S. military academies, because at these academies, expenses covered by NESA scholarships are already paid by the United States government.

### Mabel and Lawrence S. Cooke Scholarship

This scholarship, the largest awarded by NESA, was established by Lawrence S. Cooke in memory of his late wife, Mabel Cooke. One scholarship of up to \$48,000 (up to \$12,000 per year), four \$20,000 scholarships (\$5,000 a year for four years), and a varying number of one-time \$2,500 scholarships are given annually. The Eagle Scout offered the scholarship must agree to the following conditions before accepting it.

1. During the life of the scholarship, you will register and maintain status as a full-time student at the college/university you select.
2. Through your college/university, you will provide NESA with verification of your status as a full-time student. (Work co-op programs are not an acceptable means of meeting full-time-student status.)
3. All funds are paid directly to your college/university for tuition, room, board, and books for only so long as you remain a full-time student during the life of the scholarship, which is four consecutive years.
4. The scholarship is limited to use at a four-year college/university that is accredited by recognized accreditation agencies and offers at least a bachelor's degree upon completion of the course of study offered.
5. The scholarship is paid for four years in two installments annually. Payment will be made by NESA upon receipt of an itemized bill from your college/university.
6. To maintain the scholarship, you must maintain a 3.0 GPA. Your college/university must furnish confirmation of this status. Failure to maintain a 3.0 GPA will result in loss of all future scholarship money. If your grades for a minimum 12-hour course load semester at a four-year accredited college (as described above) are a 3.0 or above for a semester, you may be reinstated at the discretion of NESA. A recipient will be considered for a maximum of one reinstatement.

I hereby authorize the national Eagle Scout scholarship selection committee to request and obtain any further information it deems necessary.

1. Must be pursuing a career path in the health-care arena.
2. Must be willing to reinvest his acquired knowledge and skills in an underserved community.

### National Eagle Scout Scholarship Fund

Scholarships provided vary each year, depending on the funds available. The Eagle Scout offered the scholarship must agree to the following conditions before accepting it.

1. NESA pays all funds directly to your college/university once NESA has received a payment form that you have filled out.
2. These funds are for tuition, room, board, and books for only so long as you remain a full-time student during the life of the scholarship.
3. Funds are distributed based on your college/university's guidelines. Any variation on these guidelines is between you and the college/university. NESA will not be involved with distribution of funds other than payment to the school.
4. The scholarship is limited to use at a four-year college/university that is accredited by recognized accreditation agencies and offers at least a bachelor's degree upon completion of the course of study offered.
